Amendment

Sir:

This amendment is being filed together with a petition to revive. In response to the non-final Office action mailed December 8, 2006, please amend the above-identified application as follows:

Amendments to the Specification begin on page 2 of this paper, and include both a clean version of a substitute specification, and a version with markings showing all the changes relative to the immediate prior version of the specification of record.

Amendments to the Drawings begin on page 9 of this paper, and include both three (3) attached replacement sheets and three (3) attached annotated sheets showing changes.

Remarks/Arguments begin on page 10 of this paper.
